

LULU  
Banquet documentation

## **Restaurant and terrace**

*From its huge, buzzing square, to its magnificent boulevard, former Grand Hotel, opera house, theatre, river and beautiful lake – Zurich has that special something the likes of which not even Paris, Vienna or Milan can match.*

*Inside and out, this event space – be it for a party, anniversary, wedding or gala – sweeps both guests and hosts alike off their feet.*

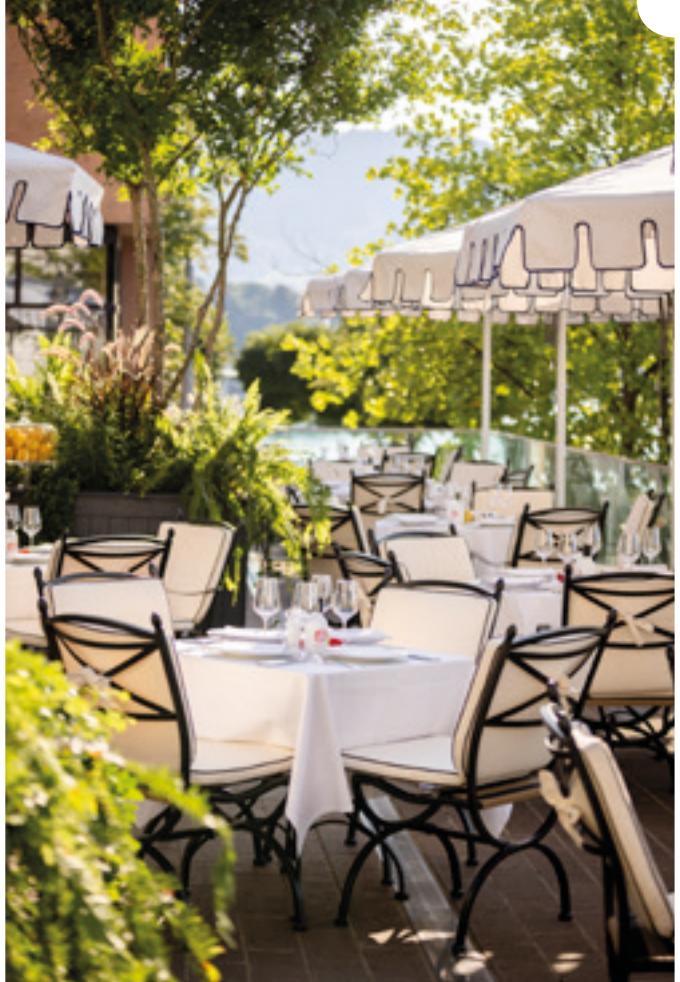

*For groups of 15 or more, we can set up a banquet which is sure to delight from start to finish. The restaurant on the bel étage offers spectacular views of the lake and the square, making any occasion a special one. Particularly in the warmer months, the sprawling terrace is the ideal location to savour some unforgettable dining experiences.*

### **On the menu: a touch of the Med**

*Mediterranean cuisine harmonises so perfectly with opera and ballet: cultured, nimble, passionate, dramatic, a feast for the senses that brings tears of joy and laughter. All this goes down well too with the open-air ambience on the square, the sunny terrace and the view across the lake from inside the restaurant.*

*We'll be more than happy to create a menu which caters to your needs. Mediterranean at heart, always fresh, locally sourced and sustainable. We'd be delighted to help you host a truly fabulous, second-to-none event.*

*Sincerely,  
Your Lulu team*

# The large print

We are no fans of small print on the last page. To ensure a smooth process, we ask you to observe the following points:

## Basis of the contract

The reservation/order confirmation or the offer signed by the customer serves as the basis.

## Number of persons

The customer is obliged to inform us of the binding number of persons as early as possible, but no later than 48 hours before the start of the event. This number of persons is the basis for invoicing. Any deviations from this number must be agreed upon and confirmed by us in writing.

## Menu selection

The selection of food and beverages must be set no later than 14 business days before the event. The beverages will be charged according to what is consumed; the full costs of the pre-ordered food will be charged as a minimum.

## Events with extension

For events that exceed the official opening hours, we charge an overtime permit in the form of a basic fee of CHF 100 and an additional fee of CHF 25 per hour of extension.

## Hourly rates/overtime

For events that last longer than the official opening hours, or for waiting times, we charge the following hourly rates:  
Chef de Service / Chef de Cuisine CHF 65 per hour  
Service staff / Cook CHF 45 per hour  
Auxiliary staff CHF 35 per hour.

## Terms of payment

The invoice must be paid 10 days after the invoice date. For larger events we reserve the right to request a deposit of 50% of the final amount. The correct billing address must be provided prior to the event. For card payments, 3% commission will be added to the final amount.

## Cancellations

Cancellations or significant changes must be communicated to us as early as possible and in writing by the customer. For cancellations less than 30 days prior to the event, we reserve the right to charge 50% of the quote. For cancellations within 48 hours of the event, we will charge 100% of the prospective services.

## Music/performances

Music is part of a lively party. We understand this completely. Unfortunately, the neighbours, authorities and police see things somewhat differently. Normally, the night-time quiet hours are to be observed starting at 10 p.m. or the location will only allow music without amplification. And oftentimes music is only possible when the entire restaurant is rented for a party. We therefore ask you to contact us in advance, so that we can incorporate your musical wishes into the planning. Or, perhaps you can simply switch to one of our other restaurants, where there is more of a possibility to play music on loudspeakers.

## Decorations

Decorations are not included in the banquet and/or room costs. Decorations brought in may be delivered at the earliest 1 day before the event and must be removed within 3 days after the event. Uncollected decoration material will be disposed of at the organizer's expense.

## Damages/liability

The customer is liable for all damage to rooms, equipment, furniture and surroundings. Seebadi Richterswil accepts no liability for loss or damage to items brought to the event.

## Cleaning/waste

If, as a result of extraordinary soiling, special cleaning and additional refuse collections have to be carried out, the customer will be charged for the additional expenditure.

## Jurisdiction

The contract is subject to Swiss law. The place of jurisdiction is Zurich.
